खातिभातुमारस्स जादकम्मादि. The books on Samskaras and Prayogas do not make a difference between the birth ceremonies of Brahmans and those of the Kshatriya caste. On जातक्म see Raghuvams'a III St. 18 and our note ad loc.

- P. 144. ll. 1, 2.— गहिदामिसी 'with a piece of flesh.' We have seen that this piece of flesh was in fact the red gem sangamniya. The Tâpasî is relating not what she herself saw but a hearsay account as is indicated by the particle किंग, 'they say,' 'I hear.' Neither Lenz who renders किंग by nempe nor Bollensen who translates it namlich has understood the proper force of the particle. See below note to p. 145 ll. 5-8.
- P. 144. l. 6.—समादिश, 'ordered.' We may here understand that Chyavana was somewhat annoyed at the boy's conduct, not indeed for his having shot the bird but for having done so in the Âs'rama.
- P. 144. 1. 7.— णिडनादोहे. Katavema: निर्यातनं न्यासार्यणम् । निर्यातनं वैरञ्जाद्वी दाने न्यासार्यणेषि चेश्यमरः ॥

णिड्डारेडि इध्यणसिन. Observe that Chyavana only knows that the boy is a trust but does not know who his parents are. See note below to p. 152, l. 4.

- P. 144. I. 8.—आसनमनुगृह्णानु भगवनी, 'kindly sit down.' Literally 'may you favour the seat.'
- P. 145. I. 1.—Kâțavema: आह्यतामुर्वज्ञीत्यत्र बीजरूपस्योर्वज्ञ्या अनुसं-श्रानात् संधिनीम संध्यज्ञमुक्तं भवति ॥
- P. 145. 11. 5-8.—Kâṭavema: सर्वाङ्गीण इत्यादि | सुतस्य पुत्रस्य सर्वाः | भन्न स्वर्धश्चान्देन स्वर्धसुखं लक्ष्यते | सर्वाङ्गीणः सर्वाङ्ग्यापी किल | तत्सर्वादेः पथ्य- इत्यम्पत्रपात्रं व्यामोनीति खः | तेन कारणन जपगतेन जपगमनेन | जपभ्रेषेणत्यर्थः | मा प्रहादयस्य आनन्दय | तावदिति साकर्ष्ये | भन्न जपमामाह | चन्द्र करिं : चन्द्र- करिणः चन्द्रकान्तिमव ||

सर्वाङ्गिणः स्पर्धाः सुनस्य किल, 'they say the touch of a son pleases the whole body.' Ranganatha very properly observes किलेलेविही.
